DELTA DENTAL®

Delta Dental — Virtual Visits

DELIVERED BY TELEDENTISTRY.COM

We give you another reason to smile! Delta Dental of Virginia members have 24/7/365 access to a dentist through Delta Dental — Virtual Visits.

A CONVENIENT WAY TO ACCESS DENTAL CARE

Delta Dental — Virtual Visits is a valuable teledentistry resource, offering convenient access to professional care without the need for an in-person visit. This service allows patients to consult with dentists remotely for diagnosis and treatment for minor issues, follow-ups or emergencies. Teledentistry is safe and effective and you can choose to receive dental care online or over the phone. Use Delta Dental — Virtual Visits when you:

- Have a dental emergency and do not have a dentist,
- Need access to a dentist after hours, or
- Need to consult a dentist while traveling.

The teledentistry service is already included in your Delta Dental plan* and counts as an oral examination.

IT'S EASY

You can access Delta Dental — Virtual Visits on a smartphone, tablet or computer that has audiovisual capabilities. Or call **866.256.2101**. TeleDentistry.com dentists provide the initial consultation and can write prescriptions** when appropriate. You will then be referred to a Delta Dental network dentist if further diagnosis and treatment is needed.

AFTER THE INITIAL CONSULTATION

The TeleDentistry.com dentist will email consultation notes to your Delta Dental network dentist for further treatment.

If you do not have a Delta Dental network dentist, TeleDentistry.com will refer you to an in-network dentist near you.

NEED MORE HELP? DELTA DENTAL OF VIRGINIA MEMBERS CAN CALL 866.256.2101 ANYTIME.

*TeleDentistry.com services are only available to current Delta Dental of Virginia members. A TeleDentistry.com consultation counts as a problem-focused exam (D0140) under your dental plan. **e-prescriptions are not available internationally through TeleDentistry.com.
